Dr. Grant Woods' Testimony

I was raised among hunters. My mother always gave my father, my brother-in-law, and me hunting licenses for Christmas. Before I was even old enough to need a hunting license, one of my favorite toys was a double barrel, side by side, spring-action dart gun and a wind-up rabbit. I spent many hours shooting at that rabbit. As my skills progressed, I would place the rabbit where it would “run” between chairs and other furniture to limit my shot opportunities.

When I was in third grade, my Uncle Joe loaned me a single shot .410. My father, grandfather, and Uncle Joe were present when, after many, many misses, I harvested my first rabbit with that gun!

My father, grandfather, and Uncle Joe taught me how to hunt. The days we spent hunting rabbits, quail, dove, and groundhogs were the foundation for my career. My lessons in wildlife “ecology” began before I knew what ecology was. I began learning from my mentors where rabbits and quail could be found based on the type of plants present. Their observations about game behavior and use of habitat have certainly proven invaluable.

These men were always present in my life. They were my friends and hunting buddies, but more importantly, they were my mentors. They led, not only by what they said, but by the example they set. These men taught me to obey hunting seasons and limits. However, seasons and limits were not their guide. *Doing what was right was their guide.*

I have been blessed in many ways, including following my boyhood passion, by becoming a wildlife biologist and working with white-tailed deer. I attended Missouri State University, University of Georgia, and finally Clemson University where I received my Ph.D. in Forest Resources. I have worked as a wildlife biologist on projects from Canada to New Zealand.

I now help landowners and hunters create quality habitat and hunting opportunities throughout the whitetail's range. It's a dream life for me. However, there were many times along the path of life when I literally lost my way. I was like a hunter lost in unfamiliar territory. However, the many hours that I spent with my mother, father, and others who recognized Christ as their Lord and Savior and “always strove to do what was right” helped me find my bearings in life. My life is now dedicated to helping others enjoy Creation and more importantly having a personal relationship with the Creator - Jesus Christ.

2025 RESTART ANNUAL SPORTSMAN BANQUET DINNER FUNDRAISER

GUEST SPEAKER: DR. JAMES REEVES

www.fearlessresources.org

Senior Pastor of City On a Hill church for 40 years,
producer of the Fearless Series for men and women,
and author of Refuge & Life Change.

**THANK YOU TO ALL OUR SPONSORS, OUR SPEAKER, AND
ALL OUR VOLUNTEERS WHO MADE THIS POSSIBLE!**

BUSINESS SPONSORS NEEDED!

Please note, all those interested in being an Elite or Platinum business sponsor must contact
Pam at 717-304-3291 or email officemanager@restartministry.org by July 2024.

RESTART BUILDING CAPITAL CAMPAIGN:

Why Does Restart Need A New and Larger Building?

- Restart currently leases an old farmhouse on a preserved farm and cannot buy any land from the Amish farmer.
- Restart will need to vacate the old farmhouse once the Amish farmer's son wants to take over the farm.
- Restart doesn't have much time left before we will be forced to move.
- Restart will increase the number of beds available to help traumatized addicted men from 12 to 48.
- Restart will create 24 available beds in the 1st Phase of the program and 24 available beds in the 2nd Phase of the program.
- Restart will offer vocational training therapy to 1st Phase Students in the program through local Christian businesses.

- Restart will offer 2nd Phase students who completed the 1st Phase of the program transitional housing.
- Restart will provide the evening meal for 2nd Phase students.
- Restart will continue to support 2nd Phase students by requiring them to participate in local church, support group/class, mentoring/counseling, and family time.

How can you help support Restart's new vision?

- By serving on our capital campaign committee
- By giving to the capital campaign
- By adding Restart to your living will & estate
- By helping us find a property
- Praying

To help Restart with this vision, please fill out the attached card and put it the donation boxes at the exits.

7-Way Power Plug

Tilts to allow tailgate to open

Tripod & Extension Cable

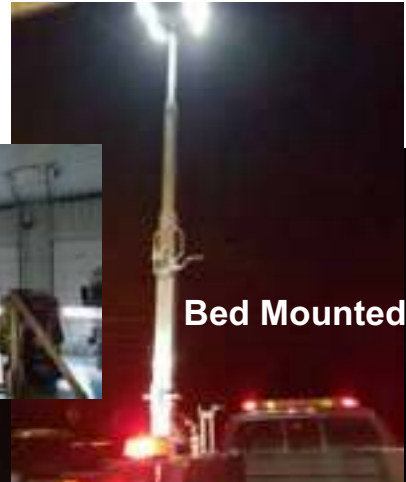

Light Towers

The telescoping light towers were designed for long-term outdoor exposure in harsh environments. The towers are comprised of aluminum, stainless steel hardware, and UHMW guides.

The standard unit includes 4 Aluminum body LED lights that produce 22,000 lumens of true white light and a 50,000 hour life span. Rated IP68 and custom designed to withstand shock and vibration.

The tower can be installed in the bed of a rig or in the Reese Hitch. The Reese Hitch adapter tilts down so the tailgate can be fully opened and has an anti sway mechanism in the reese adaptor.

Power is derived from the 7 or 4-way plug or can be wired direct

WEAVER'S STORE INC.

OUR STORY:

Weaver's Store started as a little country store in the village of Fivepointville in 1957 when Irvin and Ruth sold used clothing in the basement of their house. Before long, the Weaver's outgrew their little shop, and in 1959 added new merchandise and moved to the south side of town. Several additions have taken place since then. Weaver's Store has been committed to serving the community for over 60 years.

Today, Weaver's offer a great selection of shoes, archery, fabric, housewares, hardware and clothing. They have earned a reputation for quality merchandise with low prices, great selections & friendly hometown service.

In 2006, Weaver's added a second location at in Leola. This location specializes in computer paint tinting, hardware, glass and screen repair, lawn & garden products and propane.

In the spring of 2012, Weaver's opened a third location in Center County, near State College. This store is in Spring Mills, PA. A full line of footwear and clothing, sporting goods, archery, hardware, housewares, toys and fabrics are available there.

At the Fivepointville store, visit the Café for mini donuts and a menu to enjoy breakfast, lunch and dinner. The Weaver family gives all the credit to the Lord for their business success and a good supportive team of employees. Weaver's Store appreciates each customer and thanks you for your patronage.

RTCM PROGRAM GRADUATES

2023 VALENTINE BANQUET 2023 SPORTSMAN BANQUET

2023 MEN'S RETREAT

2023 FALL BANQUET

My name is Derek Bollinger. **I'm in recovery and struggled with drug addiction.** I was born October 11, 1988, to dysfunctional and addicted parents, but was gifted to be raised in a Christian home by my loving grandparents. My childhood and upbringing were wonderful. **I was given the chance to excel in life in numerous ways. But unfortunately, I had core behavioral and abandonment issues that I never dealt with.** This led me to the wrong crowds and always seeking to be the center of attention. These behaviors then led me down a long and dark road of trying to fit in and numb pain with the use of drugs and alcohol. **Before coming to RTCM, my life was a hopeless downhill spiral of chaos, secular rehabs, prisons, and near-death experiences. I was hopeless and helpless, battered and tattered. I did not know where to turn.**

But God, in his perfect timing, reached out when I was at my lowest. After surrendering my life to Him in prison, He led me to RTCM in December of 2017. **Through the Lord's leading in the classes, lessons, and counseling received at Restart, He has since turned my life into one of His redemption stories.** With the implementation of the tools I learned at Restart, and by the grace of God, I am now able to share those same tools and that knowledge with those still struggling in addiction. **I am involved in ministries such as Celebrate Recovery, The Potters House, my church, and many mentoring opportunities the Lord has blessed me with** as well as the opportunity to be part of a growing painting business that gives employment opportunities to those in recovery. **I want to personally thank all those who continue to give to RTCM and make these opportunities possible** for people such as myself and the many others.

God Bless! —Derek Bollinger, Mar. 2018 RTCM Graduate

My name is David Diedrich, and I am a child of God. **My journey to RTCM began with me doing things my own way for 36 years. I was an alcoholic.** My life was a tangled web of deceit, manipulation, womanizing and pain. During that time, **I chose the ways of the world,** which in the end, lead me to the Philippines. I had lived there illegally for 9 years **thinking I was escaping the pain.**

By God's grace I have more peace and freedom than I have ever had in my life before. I have an active and productive life now, focusing on others, helping others that are in need and **giving back that which was freely given to me.** —*David Diedrich, Sept. 2020 RTCM Graduate*
