Dr. James Reeves Biography...

As founding pastor of Fort Worth's City On A Hill Church in 1984, Dr. James Reeves regularly sees wounded people find hope and restoration through Jesus Christ.

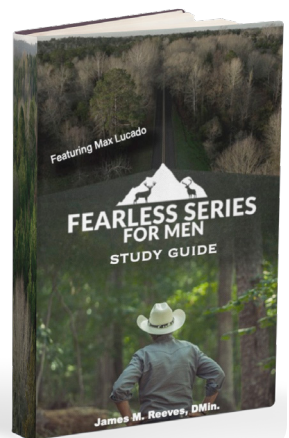

After receiving his B.A. in ancient Greek from Baylor University in 1976, James received his MDiv. and DMin. degrees from Southwestern Baptist Theological Seminary in 1981 and 1988.

James has been a pastor for more than 40 years. Thirty-eight of those years have been in the same church, City On A Hill, founded in 1984. **In 1992 the church made a transition and since that time has been known as the “Hospital Church” because of its work of Help, Hope, and Healing, for hurting people, both spiritually and emotionally.**

James is no stranger to woundedness. He was born into an alcoholic home and suffered the emotional wounds of a very difficult childhood. Years later the bills began to come due in his life, as the emotional wounds he had glossed over and ignored for years began to surface. **James nearly resigned from pastoral ministry, but chose to confront his past, then used his newfound freedom in Christ to build a church based on resolving emotional woundedness issues for greater intimacy with Christ.**

James's first book *Refuge, How “Hospital Church” ministry can change your church forever*, was published by Kregel, Publishers, in 2010. His second work is *Life Change for Every Christian*. James was also one of the presenters in the *Conquer Series For Men*, a video series focused on helping men live pornography free. In 2021 James completed the production and direction of his own video series called the *Fearless Series For Women*. The *Fearless Series* is designed to give Christian women in the church a safe tool to get the discussion started about the plague of sexual abuse of women, and give on opening for survivors to enter into the healing process. It is being used in churches across America (Website: FS4Women.com). In March 2023, James released the *Fearless Series For Men*, featuring Max Lucado and Jeremy Keeton, Director of Counseling for Focus on the Family. **James is a regular speaker at conferences across America about how the local Church can minister effectively to survivors of sexual trauma.**

James and his wife, Laura, have two grown children. Their daughter Tiffany, is a Pediatric Trauma Nurse Practitioner and is married to Davis who is a pastor. They have given James and Laura three beautiful grandchildren. Their son Zack, who is married to Ashley, is a former touring professional golfer and is now in business. Zack and Ashley have two precious children whom “Pops” and “NuNu” adore.

OUR STORY:

Weaver's Store started as a little country store in the village of Fivepointville in 1957 when Irvin and Ruth sold used clothing in the basement of their house. Before long, the Weaver's outgrew their little shop, and in 1959 added new merchandise and moved to the south side of town. Several additions have taken place since then. Weaver's Store has been committed to serving the community for over 60 years.

Today, Weaver's offer a great selection of shoes, archery, fabric, housewares, hardware and clothing. They have earned a reputation for quality merchandise with low prices, great selections & friendly hometown service.

In 2006, Weaver's added a second location at in Leola. This location specializes in computer paint tinting, hardware, glass and screen repair, lawn & garden products and propane.

In the spring of 2012, Weaver's opened a third location in Center County, near State College. This store is in Spring Mills, PA. A full line of footwear and clothing, sporting goods, archery, hardware, housewares, toys and fabrics are available there.

At the Fivepointville store, visit the Café for mini donuts and a menu to enjoy breakfast, lunch and dinner. The Weaver family gives all the credit to the Lord for their business success and a good supportive team of employees. Weaver's Store appreciates each customer and thanks you for your patronage.

2024 RESTART GRADUATES

Celebrating 10 Years!

Transforming lives through Jesus Christ...

My upbringing was marked by dysfunction and pain. Growing up without a Godly influence left deep scars and a lack of understanding about my worth. **I am forever grateful to Pastor Jaime and RTCM for helping me rediscover my worth and purpose in Christ.** I have been sober for nearly three years, and this has been the best season of my life. —*L.M., Sept. 2020 Grad.*

For 36 years, I lived according to my own plans, bound by the chains of alcoholism, deceit, manipulation, and broken relationships. By God's grace, **my journey brought me to RTCM, where my life was transformed.** God has turned my story of pain and loss into one of redemption and hope, and I am honored to live as a witness to His incredible power to heal and restore. —*D.D., Sept. 2020 Grad.*

My journey to RTCM began while I was enrolled in a Christian program in Miami called Miami Power House. After I graduated from Restart, I immediately stepped into the next chapter of my life, working with The Potter's House. **My time at Restart laid the foundation for this new chapter in my life, equipping me with the tools to grow spiritually and serve others.**

—*D.S., May 2022 Grad.*

Prior to Restart, I spent three months in The Potter's House program while still struggling with addiction and disciplinary issues. **Restart not only changed my life but equipped me to live with purpose, hope, and a desire to give back for the glory of God.** Currently, I work full-time as a painter at F&M Painting and reside at the ACTS House, where I continue to grow in faith and fellowship. —*T.H., Mar. 2023 Grad.*

I reached a point in my life where I found myself on a dark and destructive path. I turned to drugs, believing they would help me get through each day. **Restart gave me access to resources like counseling at CCARS and men's group meetings at Main Point.** I am deeply grateful to the entire Restart staff for their guidance, encouragement, and unwavering support.

—*E.W., Apr. 2023 Grad.*

Notes

2025

I am 35 years old and a proud graduate of Restart Training Ministry, a place that has profoundly shaped my journey. Life has brought its share of challenges, but knowing the Lord has been my anchor through every high and low. While I still wrestle with depression, I've learned to manage it in healthier ways, and God's faithfulness has been my constant source of strength.

I've been blessed with a beautiful family. I married my incredible wife on August 10, 2019, and together we've built a life filled with love and faith. Our son, Giovanni, was born on April 9, 2023, and my daughter, Rowan, now 14, continues to inspire me with her joy and resilience. **We are now preparing to move into our new home—a \$300,000 house—an incredible milestone that feels like a testament to God's grace and provision.**

My work as an iron pourer at Anvil in Columbia, PA, is both challenging and fulfilling, but it's the journey that brought me here that truly humbles me. **I grew up in the trenches of Lancaster, in a home without light or hope, at a time when I couldn't see any way forward.** I was so lost that I wanted to give up entirely. But God had other plans. Through His guidance and the life-changing support of Restart Training Center Ministry, I found light where there was only darkness.

Though I never earned my GED or graduated from Teen Challenge, **God made a way for me.** Today, I embrace who I am with gratitude and faith. **I no longer pray for escape—I pray for 20 more years to live, love, and glorify Him.** All that I am, I owe to God.

—David Guzman, Nov. 2016 Restart Graduate

Five years ago, I found myself in the parking lot of Restart Training Center Ministry while retrieving clothes for a student who had decided to leave the program. As I sat there, **I wondered what it**

would be like to be a part of this place. Little did I know, God had already planned for me to return—not just to visit, but to find freedom and walk the path He had set for me.

In August 2023, I graduated from Restart and made the decision to stay on as an intern. Shortly after, I was entrusted with the role of house manager. While this was not part of my original vision for my life, it became clear that it was God's plan. He ordered my steps and gave me the strength and purpose to remain and serve in this capacity.

Through Restart, I've had the privilege of meeting and building relationships with a large and diverse group of incredible people who have touched my heart. I currently attend Lighthouse Assembly of God and am actively involved in ministries such as Celebrate Recovery (CR) and CCARS. These connections have been instrumental in helping me grow spiritually and stay grounded in my faith.

Looking ahead, **I am preparing to begin my studies at Lancaster Bible College (LBC) to pursue training as a counselor.** My goal is to gain the knowledge and skills needed to help others find the same freedom and hope that I have experienced. **I am deeply grateful for God's guidance and for Restart, which has been pivotal in shaping the person I am today.** All glory to Him for leading me on this incredible journey of healing, service, and purpose.
