Restart's New Property

SETTLED JUNE 20, 2025

Two Phases. One Mission: Transformation.

From Bondage to Breakthrough

"Six years ago ...I was a broken man whose hope had diminished ...Today, I'm going on my third year in Bible college, engaged to be married...
God is still with me."

— Rob M., Graduate, August 2017

"I came to Lancaster shattered and ready to surrender. Through Restart and godly mentors, I found restoration, forgiveness, and true freedom in Christ. Today, I'm sober, reunited with my family, and preaching the gospel to others who share my struggles. I am living proof of God's transforming power." — Demond E., Graduate, June 2022

"I struggled with alcohol and chemical dependency for many years. Since coming to Restart, I've been able to quit drugs and tobacco. More importantly, I've learned I'm infinitely valuable to God. I want to lead others to the same freedom I have found in Christ." — Steve B., Graduate & Board Member, August 2021

"I was broken and angry at the world—even at God. Restart helped turn my life from destruction to one filled with purpose, hope, and opportunity. I'm forever grateful for what God has done."

— Garrett R., Graduate, June 2024
