# DOUG DEHARPART

Founder / Host

 [doug@createdoutdoors.com](mailto:doug@createdoutdoors.com)

I believe that sometimes when God says 'Be still and know' it's through a rough season. Maybe it's personal hurt, maybe it's through a loss, a trial or tribulation. I don't know what it is for you, but as much as I hated dealing with [my pain and injury] I know that God is going to use it for HIS glory, and maybe for someone else who is hurting or is in a dark place.

Hear the full story - Season 8 Episode 13

**Doug DeHarpert** was born and raised in the inner city of Akron, Ohio. Though his early years were spent surrounded by pavement and traffic, his father introduced him to something far greater—the peace and purpose found in the outdoors. From chasing rabbits and deer in the rolling hills of Southern Ohio to countless family hunting trips that forged lifelong memories, the outdoors quickly became a part of Doug's identity.

Over the years, Doug's passion for hunting has grown into a mission that goes far beyond harvesting Whitetails. As the Founder and Host of Created Outdoors, he has spent the past nine years leading a team of men who share a passion for hunting, brotherhood, and spiritual growth. Through countless adventures captured on film, Doug has taught others not only how to hunt, but also how to walk closer with God and love one another as brothers in Christ.

Hunting truly runs in his DNA. His deep respect for wildlife and commitment to conservation led him to serve as a Chapter Chairman for Whitetails Unlimited for over a decade, where he's helped grow interest in ethical hunting and wildlife management. A former Co-Host of Bloodline TV, Doug has also represented many trusted brands in the outdoor industry, always focusing on authenticity, faith, and family as the foundation of his message.

Doug's heart is anchored in faith. He believes that every sunrise in the woods is a reminder of God's craftsmanship and every hunt is an opportunity to connect—with nature, with others, and with the Creator Himself.

*"I love spending time in the woods watching nature come to life and enjoy making memories in God's Created Outdoors:"*

**WE BELIEVE WE CAN DO IT WITH YOUR SUPPORT!**

We're thrilled to announce that Restart *settled on our new property on June 20, 2025!* This amazing step forward is made possible by God's provision through a generous private lender who loaned Restart **\$1.25 million** toward the **\$1.35 million** purchase price.

**To connect with Pastor Jaime about the vision for the new building, call/text/email him at (717) 304-3341 or [jainesantiago@restartministry.org](mailto:jainesantiago@restartministry.org).**

## RESTART'S NEW HOME WILL PROVIDE HOPE, HELP, & HEALING!

- The new building will not only continue to serve traumatized men in the 1st Phase program, but help more men and their families in our new 2nd Phase.
- 1st Phase will offer vocational training therapy to students in the program through local Christian businesses.
- 2nd Phase will offer transitional housing and evening meals to students who completed the 1st Phase of the program.
- Restart will continue to support 2nd Phase students by requiring them to participate in local church, support group/class, mentoring/counseling, and family time.

## OUR STORY:

Weaver's Store started as a little country store in the village of Fivepointville in 1957 when Irvin and Ruth sold used clothing in the basement of their house. Before long, the Weaver's outgrew their little shop, and in 1959 added new merchandise and moved to the south side of town. Several additions have taken place since then. Weaver's Store has been committed to serving the community for over 60 years.

Today, Weaver's offer a great selection of shoes, archery, fabric, housewares, hardware and clothing. They have earned a reputation for quality merchandise with low prices, great selections & friendly hometown service.

In 2006, Weaver's added a second location at in Leola. This location specializes in computer paint tinting, hardware, glass and screen repair, lawn & garden products and propane.

In the spring of 2012, Weaver's opened a third location in Center County, near State College. This store is in Spring Mills, PA. A full line of footwear and clothing, sporting goods, archery, hardware, housewares, toys and fabrics are available there.

At the Fivepointville store, visit the Café for mini donuts and a menu to enjoy breakfast, lunch and dinner. The Weaver family gives all the credit to the Lord for their business success and a good supportive team of employees. Weaver's Store appreciates each customer and thanks you for your patronage.

# NEW HOME PRAISE REPORT

Friends and ministry partners, I have great and exciting news to share with you. **Restart has finally found a new property to call our ministry home after 5 plus years of looking and praying!** It's a 100% turnkey and 10,000 square foot plus property in a rural area with four acres of land. There are now rooms for us to add our second phase to the residential discipleship ministry where graduates can now rent a room from us once they complete the initial six months in the first phase of the residential discipleship ministry program.

**How did God make this possible?** A private Christian business couple John & Joyce Wagner approached Restart and said they would be willing to loan us the money to buy the property we need. Restart Board of Directors and I found the property. We settled on it June 20, 2025, and moved in

June 21- 24. **Here is more amazing news:** the private lenders are giving us three years to repay them the \$1,250,000 to them with 0% interest the first year! Praise God!!! The second and third years we pay a 5% interest on the loan amount.

Friends and ministry partners, thank you for praying with us and for us to achieve this great milestone in 2025, Restart's 10th anniversary year. **Please help us** save hundreds of thousands of dollars in interest this first year on the \$1,250,000 private loan amount. **Please pledge to give** over the three years or one large gift to get this new property paid off as soon as possible. **Thanks again for all you have done, do, and will do.**

—Pastor Jaime Santiago, *Executive Director/Founder*

January 13th, 2025, was one of the darkest days of my life. I had fallen back into a familiar cycle of alcohol and depression. Sitting alone in my basement, staring at the gun case, I found

myself at a crossroads—questioning whether my life was still worth living or if it was finally time to reach out for help.

Thankfully, my counselor and mentor intervened. He asked Jaime to come over, and after hours of honest conversation, I chose to take a step of faith and enter the program at Restart. Adjusting wasn't easy at first, but I committed to staying. In the months that followed, I began to encounter God in ways I never had before. Through the renewing of my mind, I rededicated my life to Christ—and that's when the healing truly began.

As I weaned off my anxiety medication, the mental fog began to lift. I could finally receive and absorb the teachings more clearly. I'm so grateful to the Lord for surrounding me with people who have helped guide me toward a renewed life.

—Justin Horst, Jun. 2025 Restart Graduate

Almost three years ago, I fully surrendered my life to my Lord and Savior, Jesus Christ. After years of turmoil, brokenness, and humbling by the Holy Spirit, I finally turned my cares and

worries over to God. When I arrived in Lancaster, PA, I was shattered and ready to surrender. God used the teachings, programs like Restart, and mentors such as Pastor Jaime Santiago, Alan Moore, Frank Gaston, Steve Barr, Rob Marshall, and many other brothers in Christ to guide me on my path to restoration.

However, my journey wasn't without setbacks. I nearly fell back into despair because I hadn't addressed the bitterness in my heart toward my child's mother. This unresolved pain led me to The Potter's House—a second safe haven God used to reshape me. There, I learned the power and necessity of forgiveness. God revealed how harboring bitterness was as toxic to my spirit as the alcohol I had left behind. True healing began when I released that bitterness and embraced the freedom found in forgiveness.

Since graduating from restoration, I have been on fire for the Lord, preaching to those who might not otherwise be reached—people who see a common face and shared struggles in me. God has restored my family, opened doors for me to be present in my children's lives, and blessed me with the promise of a beautiful wife. I remain in awe of His goodness and faithfulness. I am a living testimony of the risen Christ—proof of His power to transform even the most broken lives. This December, I celebrate three years of sobriety. Glory to God for His mercy, grace, and unending love!

—Demond Eddings, Jun. 2022 Restart Graduate
